## ABOUT PILLAR BOX BLUE

Back in 2015, I established Pillar Box Blue as a website to showcase inspiring achievable DIYs and crafts for the home. I love the buzz of reusing, revamping and upcycling things into something more beautiful. With my weekly tutorials and crafty enthusiasm, I show my readers how simple it is to create a unique home full of the homemade. All the projects are very affordable and often created with the everyday things around us.
